

Paradise Beach Cabanas

The Paradise Beach Cabana is constructed of the highest quality, U.V. Stabilized, polyvinyl chloride resin tubing. The cushion set and cabana folding canopy are made from U.V. stabilized, poly-olefin woven fabric and available in 4 colors; Royal Blue, Navy Blue, Forest Green and Antique Beige. Custom colors and materials available upon request.

Detachable wheel assembly makes it easy to move the cabana anywhere on the beach.

Magazine rack and drink holders are standard.

Shown with optional market umbrella.

The Paradise Beach Cabana's folding canopy offers an infinite number of positions for maximum sun exposure, shade when partially closed, or privacy and security when fully closed. The Cabana utilizes tension adjustable cushions, supports, and 5 position elevating backrest. The canopy rear window and side panels roll-up for ventilation. Cabana Dimensions: Overall length-92", Overall width-62", Cushion size-74"Lx23"W. Weight- 150lbs. Cabana is sold fully assembled or in an easy-to-complete "pre-assembled kit".
